**Consent for Treatment and Payment Agreement**

I hereby authorize First Coast Neurosurgery to use and/or disclose my health information which specifically identifies me or which can reasonable be used to identify me to carry out my treatment, payment and healthcare operations.

Treatment includes but is not limited to: the administration and performance of all treatments, the administration of any needed anesthetics, the use of prescribed medication, the performance of such procedures as may be deemed necessary or advisable in the treatment of this patient such as diagnostic procedures, the taking and utilization of cultures and of other medically accepted laboratory tests, all of which in the judgment of the attending physician or their assigned designees may be considered medically necessary or advisable.

Payment includes but is not limited to: the authorization of payment directly to First Coast Neurosurgery of benefits otherwise payable to me. I hereby acknowledge the release of my medical records to third party insurers or authorized persons to whom disclosure is necessary to establish or collect a fee for the services provided, such as billing and collection services, insurance payers, auto accident insurers, or for work related injury to my employer or designee understand that I am financially responsible for charges not covered. I acknowledge that patient records may be stored electronically and made available through computer networks.

Healthcare Operations include but are not limited to: release of my medical information to any of my physicians and their offices or insurance companies participating in my care or treatment and the quality of that care.

I understand that this is given in advance of any specific diagnosis or treatment and that these services are voluntary and that I have the right to refuse these services. I intend this consent to be continuing in nature even after a specific diagnosis has been made and treatment recommended. This consent will remain in full force unless revoked in writing and will not affect any actions that were taken prior to receiving my revocation. A photocopy of this consent shall be considered as valid as the original.

Patient and/or guarantor are responsible for charges incurred. It is a courtesy for our office to file with your insurance; however, you are responsible for your co-pay and or percentage which the insurance is not responsible for on the day of your visit. It is the patient's responsibility to obtain any necessary referral forms from your primary care physician when required. If the referral is not obtained before the visit, the patient is liable for payment in full on the date of service. If we are unable to obtain payment within a reasonable amount of time from the patient/guarantor we will place your account with a collection agency which will leave you liable for any additional charges incurred.

**I have fully read and understand the above payment policy. I agree to forward to First Coast Neurosurgery all insurance or third party payments that I receive for services rendered to me immediately upon receipt.**

**Patient Initial:** \_\_\_\_\_

## Narcotics Prescribing Policy

The prescribing of narcotics for pain is a challenge under the best of circumstances. Due to legal requirements, substance abuse and addiction, it is necessary for our Practice to have stringent controls and rigid rules in place. Our medical practice provides narcotics when deemed appropriate, all while following State and Federal guidelines. Our mission is to maintain the health and welfare of our patients while obeying the laws under which we operate. It is imperative that you, the patient, understand and agree to the following policy:

- 1- Refills of prescriptions for narcotics are only handled during scheduled office visits. **We will not** call in narcotic prescriptions during non-office hours.
- 2- We will only write prescriptions for narcotics if you have had surgery performed by one of our Physicians.
- 3- The Physician will only prescribe narcotics during the 90 post operative period.
- 4- It will ultimately be up to the discretion of the Physician as to the type, dose and amount of medication prescribed.

Your signature below confirms that you, the patient, understand and agree to our narcotics prescribing policy
